

# Cawston's Presentation Centre

The Cawston Presentation Centre will be opening September 2020 and we want to assure you that we have been carefully monitoring and preparing for the health and safety of our visitors and team with regards to COVID-19. All measures are subject to revision in accordance with Public Health Officer recommendations.

## PHYSICAL DISTANCING + OCCUPANCY LIMITS

We have increased our days and hours of operation for the Presentation Centre to facilitate a decreased density throughout the day.

Presentation Centre occupancy will be limited to 6 people, including our team, to allow for physical distancing (2m). We ask our visitors to be mindful of practicing physical distancing and remain 2m apart from others.

## HAND SANITIZER + MASKS

All visitors are required to sanitize their hands upon entering the Presentation Centre. A hand sanitizing station is provided.

Visitors are encouraged to wear masks, if you do not have a mask, we'd be happy to provide one.

## CLEANING + DISINFECTING

We have established regular cleaning and disinfecting protocols throughout the Presentation Centre.

## SYMPTOMS + TRAVEL

If you are experiencing symptoms of COVID-19, have experienced symptoms of COVID-19 in the last 10 days, have been directed to self-isolate, or have travelled outside of Canada in the last 14 days, we ask that you postpone your visit to our Presentation Centre or schedule a digital appointment.

## SCHEDULED + DIGITAL APPOINTMENTS

If you would prefer to schedule an appointment outside of Presentation Centre hours or if a digital appointment is more convenient, kindly contact our Senior Property Specialist, Rebekah Beaton, at (250) 801-2889 or [info@liveatcawston.com](mailto:info@liveatcawston.com) and we will do our best to accommodate your request.

We thank you in advance for your cooperation and look forward to seeing you at Cawston's Presentation Centre.
